## 2023-2024 Enrollment Agreement

The Jim Royle Drum & Percussion Studio's goal is the possibility for the student to reach all of his, her, or their percussion and musical desires through the enrollment of both student and parents in the commitment to musical growth and discipline for excellence; the application of these principles to all areas of life, which can enhance the student's character and self-confidence; and the awareness of the joy of what all music can offer. The following are some of the guidelines and policies of the percussion school.

The **Student** should arrive at each lesson punctually (5-10 minutes before lesson begins), well prepared, and with all necessary materials. The **Student** shall schedule daily practice time and acknowledge that the study of music must have its place among other interests. The **Parents** should support and encourage the student's progress, keep instruments in good condition, and provide for daily uninterrupted practice. The staff is available should you have any questions regarding materials, instruments, practicing, or any other aspect of musicianship. Masks are optional. If a student wishes a teacher to wear a mask, we will mask up as well.

The year will be divided into two semesters, each including a recital. The first semester will begin on **Monday, September 11th<sup>th</sup>, 2023**. The second semester will begin **Monday, January 22nd, 2024**

### Recitals

Studio Recitals will be held on January 20<sup>th</sup> 2024, and June 8<sup>th</sup> 2024.  
Locations of recitals are TBD

### Make Up Policy

**A lesson can only be made up if 24 hour notice is given to the instructor. You may notify your instructor by calling the studio. The studio is equipped with a voicemail system, can be called 24 hours a day and is checked regularly. If a lesson is cancelled it is the responsibility of the STUDENT or PARENT to contact the instructor to schedule a make-up lesson.**

**There is only 1 make up per student per semester. Contact MUST be made within a week of the cancelled lesson or else the lesson will be lost. In the event that an instructor must cancel a lesson, the instructor may be substituted or a make-up will be scheduled.**
